Notification w.r.t Player's Registration of Member Teams when they have no access to mobile phones

Dear Member,

We would like to inform you that it has come to our notice that some players do not have access to a smartphone or mobile phone and are therefore unable to link their Aadhaar with DigiLocker and complete the registration.

Please find below the link to **the DigiLocker** web version. This can be used by players who do not have mobile access to register with DigiLocker and link their Aadhaar card:

<https://www.digilocker.gov.in/>

Only players who do not have access to a phone are requested to visit the Association COT office to complete their registration formalities, if required.

This is also a reminder to A and B Division clubs that the registration deadline is tomorrow at 6:00 PM. Clubs that have not yet completed the registration are requested to do so immediately.

Thanks & Regards,

Yours sincerely,

Hyderabad Cricket Association (HCA)
